PRINCE GLIDER

The Relaxer recliner program offers unsurpassed comfort with high quality and space efficient design. The Relaxers give you glide, reclining, swivel as well as adjustable headrest support and integrated footrest.
The Relaxers are made with Cold-Cure Molded Foam Cushioning. This unique space-age technology ensures comfort, body correct support as well as durability.

BENEFITS

NORWEGIAN QUALITY. All products meet the highest quality standards. The reclining mechanism with integrated footrest is made by the largest specialized mechanism supplier in the world. The construction is based on a hard wood and steel frame with IMG's unique molded foam.

MANY UNIQUE COMFORT FUNCTIONS. The Relaxers offer five different built-in functions:

- Swivel
- Effortless reclining and adjustable back rest angle
- Foldable footrest
- Gliding / rocking function
- Adjustable head and neck support

COLD-CURE MOLDED FOAM. This space-age material encases the interior steel frame and sinuous springs, allowing for body-friendly curvatures to be covered with glove-fitted upholstery. Guarantees absolute comfort and durability.

LUXURIOUS FEEL AND TOUCH. A layer of soft high resilient polyurethane foam with fibers ensures a luxurious feeling and extra softness.

2 DISTINCT SIZES AVAILABLE – WITH THE SAME DESIGN. All IMG relaxers are available in two different sizes to assure a perfect fit for your comfort requirements.

ADJUSTABLE HEAD AND NECK SUPPORT. Exclusive adjustment system that allows your head and neck to rest in an infinite number of comfort positions. It can easily be adjusted by a handgrip.

GLIDER/ROCKING LOCKER
IMG Relaxers can be delivered with a mechanism that makes it possible for the user to lock the gliding/rocking function.

WARRANTY. Ten years on frame. Five years on mechanisms, molded foam cushions and base. Two years on leather and fabric covers.
